Supplemental items

Wool Socks (a couple pairs) and an extra t-shirt

Hygiene Kit

Insect repellent and/or Netting

Any required medication

Handheld GPS units such as Garmin 64ST, or Garmin watch

Satellite Phone (Inmarsat or Iridium)

Solar-powered device chargers

Winter and other supplemental gear

Depending on the size of your pack, you may not be able to fit all of your gear in one pack depending on the time of year and supplement gear you may need. Some opt to keep extra gear in their vehicle, and they also use an ice fishing sled to pull supplemental gear in the winter.
